

Vinício Oliveira

vinicio.miguel@tutamail.com | [Personal page](#) | gitlab.com/ViniMig

Skills

Programming: Python, R, javascript, HTML, C#, TIBCO Spotfire, pandas, numpy, sklearn, mlflow, Gitlab CI/CD

General: Machine Learning Engineering, Data Analysis, Data Visualization, Software Development

Experience

TIBCO Spotfire Consultant, BinarySeason – Remote, Portugal Jul 2021 – Oct 2022

- Collaborated with stakeholders to translate business requirements into technical solutions.
- Developed interactive Spotfire dashboards for a global Pharma client, enabling dynamic data visualization.
- **Tech:** TIBCO Spotfire, HTML, javascript, IronPython, R, SQL, Agile

Sr Software Development Engineer, PerkinElmer – Tres Cantos, Madrid Apr 2020 – Dec 2020

- Contributed to R&D of analytics applications for High Content Screening and tools for drug discovery pipelines.
- Designed Spotfire dashboards adopted by researchers, improving data analysis in the pharma industry.
- Contributed to Agile/BDD testing cycles, collaborating with cross-functional teams, ensuring GxP compliance.
- **Tech:** TIBCO Spotfire, R, Python, C#, High Content Screening, Agile

Software Development Engineer, PerkinElmer – Tres Cantos, Madrid Aug 2016 – Apr 2020

- Contributed to R&D of analytics applications for High Content Screening.
- **Tech:** TIBCO Spotfire, R, Python, C#, High Content Screening, Agile

Inov Contacto Intern - Bioinformatics, PerkinElmer – Tres Cantos, Madrid Feb 2016 – Jul 2016

- Developed a proof of concept Spotfire dashboard for heterogeneity assessment in cell populations.
- Applied R to analyze high-dimensional screening data.
- **Tech:** R, TIBCO Spotfire, Biostatistics

Projects

Stroke Risk Prediction: End-to-End ML Engineering Project gitlab.com/ViniMig/ml_full_project

- Developed a fully reproducible and production-ready ML pipeline allowing data versioning and quality validation, model experimentation, tracking and deployment.
- **Tech:** Python, DVC, Great Expectations, MLflow, Scikit-learn, Gitlab CI/CD, Docker

Education

Universidade do Minho – MS in Bioinformatics 2012 – 2015

Universidade do Minho – BS in Biochemistry 2009 – 2012

Università degli studi di Milano – BS in Biochemistry (Erasmus) Feb 2012 – Jul 2012

Datacamp – Machine Learning Engineer career track – [certificate](#) 2026

CESAE Digital – Vocational Qualification in Data Analysis 2025 – 2026

DeepLearning.AI on Coursera – Deep Learning Specialization – [certificate](#) 2024

Stanford University & DeepLearning.AI on Coursera – Machine Learning Specialization – [certificate](#) 2023

Instituto do Emprego e Formação Profissional – Vocational Qualification in Web Development 2022 – 2023

Languages

Portuguese – Native

English – Proficient

Spanish – Advanced

Italian – Intermediate
